

Janice Darlene Stalder

May 17, 1958 - September 23, 2021

Janice was born on May 17, 1958 to Robert L. Stalder and Darlene M. Stalder in Beatrice, Nebraska. She later graduated from Wymore Southern High School. After graduating, Janice spent 21 years as a racetracker, traveling from coast to coast for her job. Working with the horses was a great joy for her, making sure they were cared for and comfortable, tending to any injuries like a vet, and eventually becoming a trainer. She was an animal whisperer and if anyone was having problems with a horse, they would go to Janice for help. After her time on the racetrack, she continued to work with horses as a farm manager at Sycamore Farms in Elkhorn. Settling down in Nebraska allowed her to meet the love of her life, Phil, in 1997.

While Janice spent her life working with horses, her love for animals extended to every type imaginable. She had many dogs who were very special to her, she loved to bird watch, many raccoons and opossums knew they could count on Janice for a meal, and she was known for saving frogs and relocating them to a better habitat. The caring Janice had was not just for animals, but also extended to the people in her life, or anyone that she knew needed help. Janice was a wonderful baker, and was always thinking of people on their birthdays. Those who knew her would look forward to the special birthday desserts they would receive from Janice; her pineapple upside-down cake was especially delicious.

When Janice wasn't caring for animals or people, she did enjoy a game of Candy Crush on her phone, as well as slots and keno, she had a beautiful

flower garden that she tended to, and listening to Pastor Reg Kelly's sermons was important to her. Janice loved to watch cowboy movies and shows, with Yellowstone being her favorite. Singing with her family was another favorite pastime; her taste in music was very eclectic and she listened to everything except "that awful rap music." Janice was very family oriented and was the one to always make sure everyone got together. She was always there for everyone and was a shoulder to cry on, but you also knew you should be scared if you got on her bad side! Janice truly had a servant's heart and was always willing to give her time and her love to those who needed it; she will be deeply missed by her family and friends.

Janice was preceded in death by father, Robert Stalder and brother, Edward Stalder. She is survived by mother, Darlene Stalder; siblings: Robert Stalder, Aaron Stalder, Daniel Stalder, and Shonti Stalder; significant other, Phil Wade; grandchildren, Jadyn Wade and Aubrey Wade; beloved dog, Brumby, and many other loving family members. Visitation 9:00am Tuesday September 28th with funeral service beginning at 10:00am at Reichmuth Funeral Home. Interment: Four Mile Church Cemetery, Humboldt, NE.

Janice, we have known each other for over 20 years. As we always said, good thing there weren't any cell phones in our early years! I will miss our weekly chats, about the puppies, horses and how we are both doing. You have touched so many lives and so many people love you. And as we always said we didn't care if someone liked us but they damn sure better respect us. Spot is going to run in the OTTB barrel competition and I know you will be watching and cheering him on. He will run for you my dear friend. Please watch over all of us as you did when you were here on earth. I will miss you but will see you again in eternal life. Love you sista! RIP

Janice you were an angel on earth. The truest friend a person could ever ask for. I know you are watching over all of those you loved, still, just as you did during your time on earth. Thank you for being my friend - you are missed beyond words.

“ *Word cannot describe Janice-she was so many things to do many people. Her laugh was contagious and her smile lit up the room. She had a heart bigger than anyone and always was willing to help any human or creature in need. She has helped me through many tough times in my life. Although the miles have separated us for many years, I will miss her terribly and will always cherish the memories I have with her. Rest In Peace my friend. ❤️*

“ Oh my sweet, sweet friend, Janice...Our Lord called you to come home. I am so sad that I wasn't able to see you one more time. To share one more memory with you. To have one more laugh with you. To tell you, "I Love You" one more time. To give you one more hug. To tell you "Thank You" for being a beautiful & supportive friend to me and always being there when I needed you.

You were a strong woman in your faith and I loved that about you. (John 8:12-13...I am the light of the world. Anyone who follows Me will never walk in the darkness but will have the light of life.)

Well my friend, you were a light to many of us. I KNOW you are with our Heavenly Father, reunited with your Daddy, relatives, friends and previous pets having a great reunion. All of your pain and suffering is gone, thanks be to Jesus. I will miss you terribly. You are only a prayer away when I need to talk to you and one day we will see each other again.

My deepest condolences to the Stalder family for your loss.

Janice was a strong, loving and caring person. She gave the best of her to everyone.

When she loved you...she loved you with all heart. She always spoke what was on her mind (whether you liked it or not) but that was who she was. We had very memorable moments together and laughed until our stomachs ached and tears were rolling down our cheeks. I will miss her smile, her laugh, her voice, her friendship and her compassion.

She left us way to soon.

May it bring you some comfort knowing that she was loved by many and she is at peace now.

All my love and prayers to you,

Jean Hawley
