

## Jeffery A. Blount

November 1, 1961 - December 30, 2021

Jeffery Alan Blount was born Nov 1st, 1961 in Pensacola, Florida. He took his last breath December 30th 2021, in Omaha NE. He was the oldest of four children. During his elementary school years, he moved with his mother and siblings to the Omaha area to be closer to the family that was already residing here. He graduated from South High School and furthered his education. He received an HVAC engineering degree from Vatterott Technical College. He currently worked for Horseshoe Casino as a HVAC Engineer.

He had a love of basketball, played in high school and on into his adult life. Jeff spent many hours with the boys trying to dunk on them. He also was a basketball referee for different leagues over the years. Not only was he a basketball fan but loved football like his father Ace. His favorite NFL Football team win or lose: was the Dallas Cowboys.

Jeff was joined in marriage to Rachel in May 2004. They had the following children, Zarah, Jaden and have an angel in heaven ~ Juliana. Prior to their marriage Jeff also had a son Jordan.

We all know that Jeff was known for his contagious smile and bigger than life laugh. He left a lasting impression on everyone he met. It seemed that he brought life into every room he walked into. One of his favorite things to do was to spend time with the family, especially if he knew there was going to be

food involved.

If Jeff was here with us today, he wouldn't want to see us grieving. Instead, he would want us to focus on the happy memories and joyful experiences shared over the years and live life to the fullest like he did. Jeff leaves behind a legacy of being a hard worker and a tower of strength to the entire family.

He leaves to Cherish his memories: father, Terry (Ace) Blount; wife, Rachel; children, Joanna Moore, Jordan (Kylee) Donner, Zarah, Jaden Blount, sister, Erica Michelle (Murphy) Knight; and many cousins, uncles, nieces, nephews and grandchildren.

Masks are required for visitation and service.

“ Jeff will be dearly missed at Horseshoe. He was the bright part of my afternoon when he came to work, walking down the hallway with the biggest smile on his face. He epitomized our core values of Upbeat and Positive! I have heard such happy memories from employees today as they learn of his passing. Prayers to his family and friends.
