I met Jeff at the A&P in Wykagyl, New Rochelle. He was a very bright and friendly young man and I asked him if he wanted to be a teacher aide at my program, Actionville in Mamaroneck Ave. School. He said yes and there began a wonderful relationship with my students Jeff was an excellent help and participated in many activities, events and trips with us. I will always remember his trip to San Juan with other staff members and his riding a motorcycle near the hotel. He was a bright light who contributed much to my students and it was a pleasure to work with him and more importantly to know him. I am so sad to find out that he passed. My deepest condolences.
