“ I am so sorry to hear of the loss of this beautiful soul. I met Jennifer several years ago and had the pleasure of working closely with her. She was an amazing person and absolutely loved her baby girl! Harper was her pride and joy and was absolutely in love with her little girl! Fly high and I hope you have found peace, Jennifer! You will truly be missed by many! 🙏🙏

“ It's been almost two weeks since I heard the news of Jennifer's passing. I haven't posted anything because every time I sit down to write something, I am struck again by the fact that she is gone and words escape me. She was one of my best friends, and a part of my life for over 20 years. She stood beside me during both of my weddings, and was Auntie Spot to my children. She will forever be in our hearts and we send all our love to her family and Harper.

“ My thoughts and prayers to Jen’s family; and her beautiful daughter. I have not seen Jen, in person, in many years but I have always remembered her beautiful smile.

Over the years via Facebook, I have enjoyed seeing how much being a mom brought her so much joy and her love for her daughter.

Many the many memories you have of Jen help you through this difficult time.
