“ *I was good friends w/ Jerry's sons. As I near my 40th birthday I have been mentally looking back on the friends & folks I have bumped into during my life. Jerry always seemed to be a guy of great humor & (according to my folks) was an expert on lawnscape & botany. Hope to see you in glory someday.*

“ *The Francis family doesn't know me with the exception of one of Jerry's son's may remember me. I worked for Jerry with Barefoot Grass Lawn Service from 1990 to 1993 out of our Omaha office located on Industrial Blvd.*

It is with my sympathies that I express heartfelt condolences to Jerry's family. May God grant comfort and peace.

Rest in peace Jerry - we will miss you.

*Respectfully,
John Steiner*

“ I'm so sorry to hear of Jerry's passing. I didn't have a lot of contact with Jerry when I was at Barefoot Grass but always found him to be very intelligent and friendly. It was a pleasant surprise to run into Jerry a couple years ago and reminisce for short while. My sympathies to all of Jerry's family and friends.

“ Jerry will truly be missed. Every time I would go to his house to visit Matt, Jerry always seemed to carry a smile and provide a quick joke about Matt. Every gathering I went to at the house, Jerry would go out of his way to make sure everyone was having a good time, which we always did.

“ We were so sorry to hear about Jerry's death. Although we never knew Jerry, our son Matt Brewer is a good friend of Matt's and we heard many great things about Jerry. Thanks for treating Matt like one of the family. He spoke so highly of your family. Jerry will be remembered as a family man, and one of many talents. Our sympathy goes out to you. “ We are thinking of you during these trying times. We enjoyed knowing Jerry and saw first hand the happiness he brought to Gisele and family. I will miss his wise cracks towards Matt, and still think Matt should pursue a career in raising rare horses that are used to make some fancy GQ coats.

“ Jerry was definitely one of a kind. It is hard to capture who he was in a just a few words. He never ceased to amaze me with his knowledge about pretty much anything. I truly enjoyed the talks we had about hunting, family, and life in general. He had the amazing ability to put a smile on anyone's face that met him. The thing I most admired about Jerry was how much he loved and cared for his family and friends and how much they cared and loved him. It was easy to see how perfect he and Gisele were together and how happy they made each other. You could feel the joy, happiness, and true love they had for one another. He will be missed greatly by many.
