“ *Dear Family,*

*Please know that my thoughts are with you and my heart goes out to you at this most difficult time. At times when you are missing your dear daughter, reading and meditating on such passages from the Bible as Psalms 94:19; 55:22, Isaiah 25:8 and Revelation 21:4 can do much to bring you calmness of heart and comfort. Take good care.*

“ *Julie and family. I'm sure you don't remember me, my kids Jasmine and Logan went to school with you in Riverdale. I'm so sorry to read of the passing of your precious daughter. I can think of no words to say to lessen your heartache, but in time, your loving memories of your lovely Jewel will help ease the pain and bring comfort. Jewel, a beautiful name for a beautiful little angel.*

“ *Julie and Family: I am so sorry for your loss. Take comfort in the joy that you brought to Jewel during her short time with you. Those memories will last a lifetime. You held an angel in your arms and delivered her back to God with grace. Please let me know if there is anything I can do to help. Love you, Rhonda*
