“ *I want to offer my condolences to your family for your loss of Joan. As her neighbor for the past 27 years, I grew quite fond of both Joan and her late husband Don. I will miss our outdoor discussions and solutions to a variety of topics. Joan was never shy about expressing her opinion; a trait that endeared her to me. We both shared a joy of growing flowers and plants to enhance our surroundings and her back porch flowers in the summer were always in full bloom. Joan was one-of-a-kind and will be missed.*

“ *Prayers from my family reach out to Ron and Julie and the entire Jacobsen family, we met Joan for the first time at Christmas last month and she made such an impression on all of us. A very lovely lady, so glad her suffering is over and she is at peace with her husband in heaven. A wish for healing, prayers and fond memories of Joan.*
