“ *Dear Robin and family...you all are in my thoughts and prayers. I used to work with your mom, JoAnn at Mid City Bank back in the late 90's and she was such a wonderful person to work with. JoAnn was always such a kind and caring person and she was so much fun to work with. I have such fond memories of her and I am saddened to hear of her passing. May God grant you all some peace and comfort during this time of loss and may God grant your mom eternal rest in the arms of our Lord and Savior.*

“ *Your Mom and I enjoyed happy times together many years ago and I was pleased to reconnect with her a few years ago. A lovely lady to be sure. I know your family has many wonderful memories to carry with you forever.*

“ Robin, I am saddened at your mother's passing, but as I look back on our younger days I am so happy to have known her and to have enjoyed such happy times together when we were young girls, dating, being in school, football games, hamburgers, french fries and malts at Tiner's Drive-In - all the things of which fond memories are made. I will remember you all in my prayers. God bless you and the family, one and all. Sunny
