“ *Peace to you and yours my neighborhood friend. 21 years ago we built next to Butch and JoAnne and loved them from the start. Our most memorable time with the Redel's was when the four of us (Butch, Jo, Jimmy and Lori Gartner) built our first retaining wall together. It came out perfect despite our imbibing a tad too much!! And all the laughter through the years while watching our 4 children grow and keeping an eye on them while we were away...the memories of all the Beer-Thirties!! I will always cherish you my neighbor friend. The Circle will never be the same as it was then. Great Times now time to sleep in Peace.*

“ *One of my favorite memories of JoAnn was having coffee with her and guys were trimming trees behind the house. I'm sure they were workers from the power company. One was actually trimming and three were just sitting there on the retaining wall watching him. She went out and said, "If I'm paying for you to be working, get off your --- and get to work!" They did. I've always remembered that as well as many really great memories of our neighborhoods (Stark, Molley, and Allen/Vermont). We've laughed together and cried together over many years. May many memories warm your hearts as you hear from friends and family. Much love, Leola*
