“ *JoAnne was one of the most special woman in my life. After my mom died in 1989 she always made sure she kept in touch with me and I enjoyed always visiting her and Max when I came to town. A couple visits ago she gave me a big afghan that she had made, I will cherish it forever. Rest in peace beautiful lady you had an impact on everybody you came across! Luv U! “ Joann was a regular member of the Old Broads Breakfast Club when I came, and although quiet most of the time, it was never the same when she wasn't there. She sometimes crocheted snowflakes or other handmade gifts at Christmas. We also discovered that she and my husband both graduated from Valley High School. She will be missed and long remembered.

“ So sorry for the loss of Mrs. Turner. Please take comfort in the hope held out for the future, when death will be no more, neither will mourning nor outcry nor pain be anymore. With sympathy,
