*John was dedicated to his family, friends, service and work. His service in the Navy spanned 26-years and included tours at sea and on land. During active duty, he served on deck of aircraft carriers and in his reserve duty, he served in logistics with Navy Cargo Handling and Navy Mobile Construction Battalion. His oversea tours while in the reserves took him to Iran, Afghanistan, Kuwait, and Bahrain.*

*While deployed to Afghanistan, John was selected for Chief Petty Office and accepted into the Chief's Mess, an honor he felt great pride and served with great commitment. He was soft spoken, diligent to his duty, and always ready to lend a hand.*

*My memories of him will be of humility, humor, and his love for his family.*
