“ Pam and family. I am so sorry for you loss. John was a great man and person who was always there for someone else to give unselfishly of his time and talents. He never asked for anything in return and was always happy to help out no matter the need. I am a blessed person to have known John over the years and he had so many positive affects on so many young men in scouting as well as the adults. He will truly be missed. My prayers and thoughts go out to you and your family in this most difficult time.
