

Jonathan Michael Woodhead

December 1, 1982 - April 29, 2024

Jonathan Michael Woodhead (age 41), passed away Monday 4/29/2024 at University of Nebraska Medical Center in Omaha. He was born on 12/1/1982, in Omaha, to Mark and Julie (Chappell) Woodhead. He shared the same birthday as his grandmother. He graduated from Burke high school in 2001., obtaining an associate degree from Metropolitan Community College in 2005. Just prior to his death he worked for Amber Enterprises Inc in Omaha.

Jon loved his family and friends. You could always count on him to give you a humorous card for your birthday or special occasion that would make you laugh. His sense of humor was keen and apparent. Something he inherited from his grandfather. He named his cat Bob. He particularly liked Cowboys football so much that he named his dog Dak. Of course he was a Husker fan also. He liked activities that centered around people and friends. He enjoyed playing pool on a Tuesday night league, and played a corn hole bean bag toss at a local bar always ordering food while he played. Jon enjoyed video games, movies, and TV. He had dozens of food apps on his phone and always had coupons for eating deals all over town. He was an avid sports fan and displayed such in the clothes he would wear.

He is survived by his sister Kate (Matt) Schiele; nieces Madie and Charlotte Schiele, whom he adored very much; his mother and father Julie and Mark Woodhead.

Friends and others are invited to the Reichmuth Funeral Home at 21901 W. Maple Rd, Elkhorn, Ne. Service will be at 11:00AM Saturday May 4, 2024 to reminisce, grieve and support each other. And of course, just chat.

“ When Jon passed, and I lost one of my closet friends. It's hard to detail the great loss I feel, especially with so many more years to live. What I will remember and miss most about him, was his great spirit of adventure. Jon was always down for doing something from the most mundane to the most exciting. He always brought a spark of life and enthusiasm to whatever we did. So many years and memories lost, both in the past and future. My deepest sympathies to all of his family and friends, such a terrible loss.

Goodbye my friend, my world will never be as full without you in it. I wish you a peaceful rest free from pain. You will be missed.

“ I'm still in shock. This can't be true. You were a **VERY CLOSE FRIEND**.
Thank you for believing in me when I felt no one else did.
I'll never forget what we had.....
The closeness and secret talks about life.
I'll forever love you. You were supposed to be my future husband (our inside joke).
You were the one man I could truly trust.
Thank you for being someone I could confide in.
Rest easy my friend.
Until we meet again. Xoxoxo

“ *My Condolences to Jon's Mom and Dad and his sister and his nieces.*

I keep hoping that I will wake up from this nightmare that he is gone. Having been friends for 26 years I can honestly say I have never had a best friend like Jon. When my wife got sick he called and texted almost daily to check in. When I was sick for 4 months he often sent texts of encouragement.

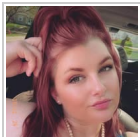

Lot's of memories. From going to movies that nobody else wanted to go to but us, to watching our Huskers "Almost Win" every Saturday and then breaking down the game together. Also discussing how our NFL teams did that week His Cowboys and my 49ers. Or Cookouts playing football, swimming or just hanging out. And the late night phone conversations about life. Jon was a true friend that anyone would have been blessed to have. He never judged was always supportive and was always good for a laugh. The world lost a great person.

I hate that I have to go thru the rest of my life without you bro.

You will be missed every day

“ *Sending love and prayers to all of Jon's family. He was such an amazing friend to me, always supportive, kind, funny, laid back, fun, never judgmental, and always willing to do anything for his friends. Such a great daddy to his pets, Dak and Bob. I'm so grateful I got to know him, am honored to have been his friend and roommate, and I will never forget the light he gave off when he walked into a room. LOVE YOU, Jon. Thank you for all the memories and everything you did for me. You will be deeply missed. Rest in Heaven.*

“ My love goes out to all of Jon’s friends and family, he was a big part in sure of all of our lives, he had such a big heart and cared so much for all of us. He was my best friend and the love I had for him was indescribable, I am holding tightly to all the wonderful adventures we had both big and small. He had a love for making people laugh and pushing our silly side buttons. He was loyal and would do anything to help someone in need. Even a complete stranger. I am going to miss my best friend. But I find peace knowing he’s no longer suffering.

“ Our thoughts and prayers for Julie, Mark, and Kate for the loss of Jonathon. I was fortunate to be his God Mother. We’ll miss him at Holidays when he brings his favorite deviled eggs. Jon and my son Kyle shared a great fondness for being huge fans of the “Dallas Cowboys”. The Rasmussen Family

“ Our hearts go out to you Katie, Julie and Mark. Jon spent many many hours in our health me and with our family during her s chikdhood. Jason and he were best friends who shared laughter and tears as children. They filled the neighborhood with rolling roars of big wheels , roller blades and bikes. Screams of laughter and an occasional spill or being chased by the neighborhood bullies who loved to taunt them. He traveled to Branson with us numerous times in the summer months and the giggles and laughter from the kids lasted round trip. They were best buddies even after your family moved from Willow Wood. We treasure those sweet memories of Jonathan and pray your good memories of your brother and your son will bring you peace today and in time to come.

“ We started off as co-workers, you quickly became my sidekick, all the breaks and lunch outings and our hunting adventures. I always remember your laugh and how you picked me up on bad days, how you were an adopted uncle to my daughter and like a brother to me. Woodnoggin, you'll be missed so much.
