“ I worked with Dr. Solsky at the EM CX! What a great person. He was always so helpful. Whenever I had a chemistry question I would ask him. Then he'd draw the molecular structure! I'd then say... “Joe, just tell me are these two chemicals the same or not?” A wonderful, pleasant, and brilliant man.

“ Sharon and family, I remember working with Joe at Methodist outpatient clinic in 2012 after his stroke and then again in 2013. I was his occupational therapist and I so enjoyed working with him. He was a great man very smart and gifted. I enjoyed his many stories. Sending my sympathy to you and your family. Bridget Rath
