“ *Hello, I'd like to express my deepest condolences for your loss. From what was written I can tell Joshua was a wonderful man. I never met him but after reading the obituary I wanted to share a few words of comfort that have brought me hope when I have lost ones close to me. In the bible at Acts 24:15 we are promised: "There is going to be a resurrection." So we have a sure hope of seeing our dead loved ones right here on earth under the best circumstances where God promises: "he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."- Revelations 21:4*
