“ *I was so sorry to hear of Judy's passing. She was such a fun loving, enthusiastic woman. We were both reading teachers at Millard Central Middle School when I first met Judy. Such a great friend and wonderful with the students. We kept in touch when I left Central and until I retired in 1993. I live in Gretna and met her a few times after that. My prayers are with all her family at this sorrowful time.*

“ *I am so sorry to hear about your loss. Judy was a wonderful beautiful woman. We met at Millard North Middle School. She was always kind, thoughtful, friendly, and cared about children and others deeply. We stayed in touch at QC Supply where Judy helped me select clothing and jewelry. She was a dear, and I will miss her so. May God bless each one of you during this difficult time. My sincere sympathies.*
