“ *It's been a couple months since you've been gone and I still don't want to accept it 😞. You always loved me. Through my mistakes and all. I am the biggest failure of our family and you always saw the good in me. I miss you and love you gram gram. I know Mitzi does to. I'll see you again one day. Rest now. Be at peace ❤️❤️❤️*

I'm sorry for your loss. I live in Fort Dodge, Ia and bought a oil painting today with Jean Doran name on it and place was Boise Idaho. Would you be able to tell me if your Grandma was the artist?

“ *My condolences to Mindy and Marty, and to all of Judy's family. I am sorry for your loss. I thought about Judy every April 6th as her birthday was the same as someone who once close to me.*
