“ Judy and I first met at Orchard Gardens and became good friends. I used to walk over to Valhaven to see her. I just spoke to her a few weeks ago and she was inquiring about where I am now, here at Immanuel Courtyard. She was a great gal and we had many good visits. I will miss her and you have my deepest sympathy. She is in a better place and feels no more pain. Bet she is up there smiling down on us and will be waiting to greet us.
