“ *My thoughts and prayers are with all of you at this difficult time. Bruce always talked so lovingly about Judy and the fun they had at the car races and traveling. Felt like I knew her through Bruce. Many happy memories to enjoy. Blessings Gale Biggerstaff*

“ *I am related to Judy, Her mother and my grandmother were sisters. We used to play together as kids. I am the same age as her brother Doug. I have many good memories of going to their house when i was a kid. I lost track of Judy for years, but was thrilled to reunite when her brother Doug passed. My condolences to her surviving family and I am sure you will cherish her memory forever.*

“ Judy was one of a kind <3 I seen her cry for the first time, at her brothers funeral, she was very strong..., I admired her for that..., gave freely and often, and lived life to the fullest. I loved the way she dressed as a professional , always dress for success.. I started wearing high heels jus like judy.. She taught me many wonderful things. <3 I will forever miss her, but memories will shine in my heart...Love Jack

Judy showed me how to wear my oxygen so it didn't show as much. I think of her every time I put it on. 💖🙏

Judy and I are related. Her mom (Grace) and my grandma (Sadie Showers) were sisters and I visit her mom's grave when I go to my grandma's grave down by Dolliver Park by Fort Dodge. I worked with Judy for a few years and my mom worked with Judy for many years at Union Trust and Savings Bank in Fort Dodge. My mom passed away in 2014 but Judy kept in touch with her. Sympathy to you and I am thankful that Judy was related to me. Jan Theiss Andrews (Algona, Iowa formerly of Fort Dodge)
