“ *I remember when Julie and Dick got engaged. I was in high school. I remember the night they came to our home. I knew Dick always liked me. He called me his "kissin' cousin." He always kissed me goodbye when he saw me. Dick was my third cousin. Dick and Julie seemed so happy that night. Mom, Dad, my brother Jim and I had a fun night together. I will always remember Julie as sweet, quiet and reserved. Julie accomplished so much in her lifetime. What a legacy. I want to express my sympathy to Julie's family. I may have met some of you at Dick's funeral. Just know that Julie is in Heaven now with Dick and all other relatives who have gone before her. It is difficult not to have her physical presence here anymore but it is a consolation to know she is now happier than she has ever been and would never want to come back. She is free of pain and experiencing a love that no one here on earth can even imagine.*

“ I was saddened to hear of the death of my cousin-in-law, Julie Allen. I recall fond memories of her and her husband Dick coming to our Valley home for dinner and conversation on many occasions. We exchanged Christmas cards yearly and this last December, I didn't hear from her; she must have been too ill then. We planned to visit many times or go out for dinner, but illnesses and such made this impossible. She and her husband were very successful in farming and other ventures. They both will be very much missed by me. I am unable to attend the services today due to health but wish to extend my sympathy to her family.

“ Although we are out of town and unable to be there for the service, please know we are there in spirit. We will miss Julie's radiant smile and quick wit. Julie is a woman we admire very much.
