“ *Dennis and Katie:*

Leslie and I were saddened to hear about Julie's passing and the struggle she faced. Although it's been a long time since we had seen her and your family we do know how special she was and how much she will be missed. She had a terrific sense of humor and could always put a smile on your face.

Our sincere sympathy for your family's loss, please know you are in our thoughts and prayers.

“ Denny and Katie, I am so sorry to hear of Julie's struggle and passing. I want you to know she made a profound impact on my life in the years we worked together. Her commitment to her family was beyond amazing, and I always admired her love and dedication to you, Katie. She was such a support to me while my husband was deployed. She was a wonderful colleague and a dear friend. I will never forget her.
