“ We wish to send our thoughts and prayers to Peggy and the entire family. Aunt June (as we knew her) had a wonderful life. As kids we flew to Valley each summer and had a great time with Earl, June and their fun-loving family. We will always remember June's love for her Huskers, love of sports in general, and great sense of humor. She had a way of cutting through the non-sense and unraveling the truth. We had many laughs! Since our mom passed away many years ago, June was our connection to their family. June and Martha did not have the easiest go of it as young kids, but they pressed on through it and are an inspiration to all of us. Juneâ€¦.you are in our hearts, minds, and memories forever. God Bless You.
