Kalea Jean Walsh

July 8, 1993-March 19, 2025

Kalea Jean Walsh of Elkhorn, NE passed away on March 19, 2025 at the age of 31. Kalea was born on July 8, 1993 in Reno, NV to Jeff and Kathie (Fredricks) Walsh. Kalea attended Elkhorn schools, graduating from Elkhorn High School with the class of 2011.

Kalea's talent combined with grit and determination helped her excel in sports, including track, basketball, soccer and softball. She won the 100 meter dash at the track and field days both in the Quad Cities and Elkhorn. She also scored more than 20 points in several middle school basketball games.

Kalea loved animals, evidenced by her affection for frogs, dogs and cats. Her most precious sidekick was her miniature dachshund, Charlie. The two were inseparable and shared the same bold personality when they entered the room.

Kalea and her brother, Devan supported each other through numerous relocations to new states, communities and schools in their early years. They were always each other's best friend. While Kalea had several close friends over the years, she and her closest friend, Sarah, shared a special bond ever

since they met at the age of 4. Their friendship endured the test of time and distance until Kalea's passing.

To know Kalea was to love her. She had a quick wit and sense of humor. She liked to work hard and play hard. She was always loyal and dedicated to her family and friends.

Kalea is survived by her parents, Jeff and Kathie, brother Devan, maternal grandparents Wally and Vernie Fredricks and many aunts, uncles and cousins. She was preceded in death by her paternal grandparents Jerry and Jeannine (Evans) Walsh, maternal grandmother Sylvia (McKay) Fredricks and uncle Eric Fredricks.

While our hearts are broken, we trust God's plan for Kalea and look forward to meeting her again.

Kalea's final arrangements are being handled by Reichmuth Funeral Home at 21901 West Maple Road, PO Box 711, Elkhorn, NE 68022. There will be a visitation honoring Kalea's life on Monday, March 24, 2025 from 4-8 PM at the funeral home. A special prayer will be given at 7 PM with several tributes to follow. We welcome anyone that knew Kalea or her family to attend. A private interment will be held at a later date at St. Paul's Cemetery in Mineral Point, WI.

“ KALEA-

I am at a loss for words right now.. but I'm going to try my best to stumble through this.. because you deserve to be remembered for your happy memories and the way you light up the room!!

I will never ever forget the memories that I am so grateful and blessed to have been able to experienced with you. You're extremely loved and going to be forever missed!!

Last year we went to Midget Mania Wrestling.. your contagious laugh still echoes in my mind.... I was so excited that I was able to spend that evening with you.. you had the best night ever and because of you and Dev.. so did I.. hahah... I will never forget the way you laughed and pointed at the absolute most hilarious and ridiculous events that unfolded in front of our eyes.. you are absolutely one of the most amazing humans I have ever been blessed to meet. I am so grateful for the time that we were all so fortunate to have you on earth....

I am a little bit jealous of heaven... because I selfishly still wish that you were here.

I will always love you so much!!

Thanks for the memories and the good bye hug... I just wish I would have known that it was going to be the very last one.. but to be very honest.. I don't think that would have made any of this any easier or less difficult!!!

I love you..

Friends forever..

Forever young.

“ Kalea,
I'm so grateful to have known you & to have worked with you for so many years. You made my shifts at Char fly by with your entertaining stories, our many laughs, & of course talking about all the Charleston's "tea" at the host-stand. I will miss your quick-witted, spicy, and caring spirit. You were so undeniably yourself.
I am blessed to have known you, learned from you, and call you a friend. I will miss you sweet girl. ♡ Love you always.

“ I worked with you for over 5 years. Half a decade of fun. You were my friend. My team lead. We spent so much time together. When in the office we had our little island and corner. You were amazing at bringing joy to our meetings and breaking the ice. I enjoyed our long talks about Halloween and reality TV. You were such an amazing soul and I will absolutely miss you. I pray for your soul and your families hearts at this time.
