

Karen Kay Pokorny

November 17, 1965 - March 5, 2025

Karen Kay Pokorny (59) of Omaha, Nebraska, passed away on March 5, 2025 surrounded by her family. As her family journeyed with her, Karen privately battled stage four cancer for 3 ½ years.

Karen was born on November 17, 1965 in Columbus to Bert and Lenore Nosal Pokorny. She attended St. Isidore Elementary School and Scotus Central Catholic High School, graduating in 1983. She graduated from Kearney State College in 1987 with a bachelor's degree.

Karen enjoyed theatre, Broadway, and music concerts, with the Eagles as her favorite band. Recently, she was able to attend her sixth Eagles concert, the Long Goodbye tour, with her sisters at The Sphere in Las Vegas. Most of all, Karen loved being with her large family of siblings, nieces, and nephews. She was truly a “super aunt”, treating each and every one of her nieces and nephews as if they were the most important person around. Her nieces and nephews continued to give her goals to reach for during her battle, including marriages, graduations, and arrivals of great nieces and nephews, the most recent great-niece arriving only 6 days before her passing. She was a wonderful godmother to her sister, Colleen, nephews, Branden and Micah, and niece, Taylor.

She excelled at her profession and her career as a national bank examiner

with the Office of the Comptroller of the Currency. She retired in February, 2022, having worked out of offices in Omaha and San Francisco for 35 years. Karen's work often took her to New York City, where her love of Broadway sparked. She especially enjoyed Wicked, Jersey Boys, Phantom of the Opera, and Rent. Her job also took her to all parts of the US and to London, England. Because of this, her knowledge of the British royal family and all things Princess Diana was exceptional. Although she was not particularly a Major League Baseball fan, she was proud of attending ball games in almost all of the MLB ballparks.

Karen is survived by her mom, Lenore of Omaha, brother, Chris of Waverly, sisters, Kim (Bart) Cline of Lenox, IA, Kelly (Jason) Gibson of Omaha, and Colleen (Eric) Spies of Omaha, 10 nieces and nephews, and 10 great nieces and nephews: Kyle (Kath) Pokorny (Brody and Abby), Amy Pokorny, Branden (Rachel) Cline (Chesney, Fallon, and Monroe), Cody (Katin) Cline (Bo and Keller), Carson (Alyssa) Cline (Waylon and Colter), Allie (Carter) Still (Harper), Taylor Gibson, Trevor (Abbi) Gibson, Ava Spies, and Micah Spies. She is preceded in death by her dad, Bert, her grandparents, and many aunts, uncles and cousins.

Take it easy, Karen; you now have a peaceful, easy feeling. We love and miss you dearly.

In Lieu of Flowers, Memorials are suggested to the family for later designation.

“ Dear Lenore, Chris, Kim, Kelly and Colleen. I am so sorry and heartbroken to hear about Karen’s passing. She was such a special part of my family’s lives on 30th Street in Columbus. I have such wonderful memories of her babysitting me and my brothers Scott, and Craig. We look at the pictures and it is so clear how much fun we had with her and your very special family. I will never forget how much fun Kelly, Nicki and I had riding to out of town Scotus football games in the back of your dad’s truck with Karen and Kim.💕 I am praying you are finding comfort and peace in all the beautiful memories you hold in your hearts. With love, Nikki

“ I am so saddened to learn of Karen’s passing. Please accept my deepest sympathies. I had the pleasure of working with Karen on various assignments over 20 years. She was smart, articulate, and hard-working – and her example of excellence was an inspiration to me and many others. I’m going to try to not cry because her life is over, but smile because it happened – and hope that, in time, your family is able to do the same. Amy Holzem

“ I learned a tremendous amount from Karen as a work colleague. She was dedicated to so much, yet it was clear that she put family and the simple joys of life ahead of everything. We laughed and smiled a lot together. I can’t imagine the gap she leaves behind for the many people who loved her. I pray for everyone to find peace in her memory knowing she did this thing we call life incredibly well.
