“ *John and family - so sorry to learn of Karen's passing. I was Karen's Home Ec. teacher and Pep Club Sponsor. So I have many fond memories of Karen and her group of close friends that were caught up in her wonderful smile and personality of joy and fun. So glad I had a chance to visit with her last fall. same smile, same positive personality. A light gone too soon.*

“ Dear John and Family, We are so saddened to read of Karen's death. I first saw her at volley ball games. Then I met you and it was a small world to find you were married to her. We will continue to pray for you and your family as you mourn her death. God's richest blessings on all of you. Steve & Karen

“ John and family,  
Please accept our most profound condolences. Karen was a very  
special lady - wife, mother, farm hand and educator. She touched so  
many lives that we know her legacy will be remembered by all those  
who knew her.  
Unfortunately Pam and I will not be able to attend the services as  
we are out of town but you all will be in our thoughts.

“ John, Ryan, Jason, and family. I was so saddened to hear about  
Karen. I can't remember how long it has been since I've seen you  
all, but I do have some memories of my last visit to Nebraska. We  
know that Karen is with Grandpa George and the rest of her loved  
ones. You are all in my thoughts.
