“ Oh Dale this is some real sad news. We loved Kathy. We always knew when the weather was nice that Kathy and Dale would be outside. Whether it was doing yard work or watching the grand kids. My last conversation with Kathy was in the driveway. She was working with her seashells. She showed me how many she just brought back from Florida. Great memories. Kathy I know you are in heaven finding lovely seashells. May the sun be shining on your face. You will be missed. Love Scott and Michelle Klassen
