“ Kathy Herman came into my life approximately 10 years ago. Her love and spark for life was an inspiration to me and my family. I never laughed so much in life except when we were around Kathy and her family. Kathy was a wonderful wife, mother and dear friend. Kathy loved her church and lived her life as a true Christian and gave of herself to others all the time. She once told me that nothing I could say or do would make her walk away from me and she was true to her word. I will truly miss Kathy. It seemed that when I was thinking about her very strongly, she would always reach out. My husband and I will miss her very much. My heart goes out to those she leaves behind as I know how she was the strength that held them all together.

“ I went to high school with Kathy as she was a senior when I was a freshman. She was the absolutely nicest person. I always remember her talking about "Gary". I am so sorry to hear about her passing. After reading all of these beautiful tributes, she obviously still remained "the nicest person". My deepest sympathy to her family...she was special.

“ *Gary, Kids, Herman & Kroeger family: I am so very sorry for the loss of Kathy & your mom. She was truly a loving, caring, and a genuine person that would do anything for you. I know that because through high school that's what she did for me. We lost touch after graduating, only seeing each other maybe a handful of times. I wish I had known she was ill. My heartfelt condolences and prayers go out to you at this time. She is standing tall in the gates of heaven for she is a VERY BLESSED ANGEL!*

*All my love,

“ Keith, my heart truly goes out to you and your family in the passing of your mother. I am praying for you that you will find comfort in the promise of Jesus, "I will never leave you nor forsake you." He keeps all our tears in a bottle, and like a shepherd, carries us in His bosom.

“ My condolences to the Herman family for your loss. It seems so unfair that death should have the power to take away someone you love. But God's Word, the Bible, provides a hope that it is possible to be reunited with Kathleen again in the near future, right here on earth under peaceful and healthy conditions. Jesus promised at John 5:28 that millions now dead will live again. This is the hope of the resurrection. And since Jesus made this promise, we can be certain that he is both willing and able to fulfill it. Once again, I express my deepest sympathy.

“ Kroger and Herman families. I am so very sorry for the loss of a truly wonderful person. God is holding His precious Kathy and smiling at her beautiful life. Know that God is holding each of you very close to his heart at this difficult time. Take comfort in his embrace and the love of family and friends.
