“ *I worked with Kathy for approximately a year. She always had a smile on her face. We could always laugh and joke around to make the day sail by. She adored her children and was very excited for her daughter to have her first grandchild. Kathy was an terrific mother and grandmother. My thoughts and prayers are with her family. She will definely be missed. She is no longer in pain but rest assured she is now looking down on her family being their guardian angel for life. Rest in peace, Kathy.*

“ I worked with Kathy for at least 4 years. When I left PPS, we did not talk as much as I would have liked. She was an amazing person and mother. The world will miss Kathy. I pray for her family and especially her children at this time.

“ I worked and new Kathy for only one short year. She was very special person. She helped me out when I had a accident with my car and drove me back and forth to work for several months. We became very close, and would share about our difficult times and our great times. She will always be remebered as such a great loving person.
My prayers and love go out to the family.

“ To the family of Kathy Grant,
I am sorry for your loss. May you find comfort in knowing that God is "near to those that are broken at heart; and those who are crushed in spirit he saves." (Psalm 34;18) With sympathy,
