

## Kebra Kae McClellan

September 7, 1962 - June 15, 2020

Memorials to the family for later designation;

Kebra Kae Fintel McClellan was born on September 7, 1962 in Lincoln, Nebraska to Ken and Donna Fintel. She grew up in Valley where she attended grade school and graduated from Valley High School in 1980. Kebra was actively involved in basketball, softball and cheerleading throughout her childhood.

After high school, Kebra helped with the family grocery business for several years and then attended Hair School, graduating from Hair By Stewards. She met her beloved husband, Matt, soon after and married in 1986. Kebra adored her children, Connor and Cameryn. She loved to spend time with her family, go to the movies and attend Husker tailgates with her friends and family. Movies like There's Something About Mary and Dumb and Dumber brought out her infectious laugh and beautiful smile.

Kebbie is remembered by family and friends as being an incredibly kind, generous, compassionate and warmhearted person. As a hair stylist, she had a unique ability to make her clients feel welcome and it became apparent how much she cared for them. A typical day for Keb included a Mango Breeze Iced Tea from Paradise Bakery with Vic's Popcorn. Connor and Cameryn will remember repeatedly hearing "I love you more" and Matt will remember being asked on a daily basis "Have you talked to the kids?" Kebbie Kae and her

mother Donna remained very close throughout Kebra's life. Kebbie viewed family as the most important aspect of her life. She deeply loved her husband and her children.

Kebra passed away on Monday, June 15, 2020 in Omaha at the age of 57. She was preceded in death by her father, Ken and sister, Rachelle. Kebra is survived by husband Matt McClellan of Omaha; children Connor and Cameryn McClellan of Omaha; her mother Donna Fintel of Valley; siblings Londa and Brian Vencil of Waterloo and David and Tina Fintel of Overland Park, KS; and nieces and nephews.

“ Kebra was such a beautiful person, both inside and out! She was a loving, caring person! I am so sorry for your loss,....our loss. She talked about her family, Matt, Connor, and Cameryn with such love as well as her mom, sisters and brothers and nieces and nephews. Family was so important to her!

After 20 + years of monthly appointments, she was certainly more than my hair dresser, but a dear friend. I will miss seeing her and her smiling face!

“ Kebra was one of the most beautiful people inside and out. Heaven just gained one gorgeous angel. I have been going to Keb since 1985 and i honestly looked so forward to my appointments because i knew they would be filled with great conversation, family updates, celebrity gossip, and much laughter. Keb would be cutting my hair and I'd tell her a work or family story and she would stop cutting and as she was laughing, put her hand to her mouth and say, "Tina you have to hear this o.k. Teresa say that again" and laugh just as hard the second time as she continues cutting my hair, chuckling, and shaking her head. She made me not only have an awesome haircut that people in HyVee would stop and ask me who cut my hair (I even had several people take pics of my hair to show their hairdresser) Kebra also made me feel good as a person with her positive, caring, and complimentary statements to me. I have Matt, Cam, Conner, Donna, Londa and the entire family in my prayers.
