“ Aunt Honey & Tracy. Even though I am far from Nebraska I heard about Kelli and am very sorry to hear about her passing. I can hear her voice laughing and miss her enchiladas. I think of you often. Nik still uses th blanket you made him all those years ago tho it's a bit small for a 6 footer. Keep your family close to your heart.

“ No matter how old we are, losing a mother is one of the deepest sorrows a heart can know. But her goodness, her caring, and her wisdom live on, like a legacy of love that will always be with you. With deepest sympathy.
