“ *Memories of Sundays at Grandpa and Grandma Fielders or in the park for family picnics playing ball. Going to Valley to visit on the weekend with my parents and my big brother Dave to visit. Kelly, my brother and I always had a great time goofing off and exploring. Maybe Kelly, my brother Dave, Mike, Bill, and Gary now are playing ball in heaven. They are all gone but not forgotten.* ”

*Kelly was our across the street neighbor when we moved here almost 20 years ago. He was always willing to help my husband with all his projects and a good friend to him.
