“ *I had the privilege of working with Kristie at Westwood. We had great conversations about her daughter, Liz, and she was so proud of her.*

*I am praying for you family and most especially, Liz, as all of you deal with this tragic loss. I know her family loved her and she always looked forward to spending time with each of you. She was proud of all of you.*

*May you find comfort in knowing she is with her Savior.*

“ *To the family and friends of Kristina Cole, I would like to express my deepest and heartfelt condolences. I am truly sorry for the lost that your family is feeling. Experiencing the lost of a beloved family member is one of the hardest thing that any of us can go thru. And because of that my thoughts and prayers are with your family. During this extremely difficult time, please turn to God for comfort and support. He promise to give your family the strength needed in order to endure this great lost. (2 Corinthians 1:3,4) Something else that can bring your family comfort is cherishing the wonderful memories that you have of Mrs. Kristina. These precious memories will console the family in the day's ahead.*

“ My husband and I are truly sorry for your tremendous loss and would like to express our condolences to the entire family. We cannot imagine the great pain and sorrow you are experiencing during this very difficult time. It is our sincere hope you find comfort in knowing that God has promised to "swallow up death forever" (Isaiah 25:8), and that he will resurrect our dear loved ones who have passed away. (John 5:28). May your many great memories help you find peace and comfort as you go through the coming days.

“ Elizabeth, keep your head up to see your mom every day. She may not be along side you physically, but she is there. Your mom loved you so very much. We loved going on field trips with your class and always had so much fun at Trinity. God Bless You.
