“ *Sherry and Family.... You have all been in our thoughts and prayers. Lanny was a GREAT man. The one and only time I got to meet him was here in our home. He was such a pleasure to visit with. May your special memories always be a comfort to you. Many hugs to you....*

“ Jon and I are thinking of you and Jason. We both have fond memories of Lanny and his smile was contagious. I will always remember the first time we were introduced and he smiled and said he was very excited that you were part of our company. Our thoughts and prayers are with you and your family.

“ Our sympathy to the entire Coufal family. We are so very sorry. How blessed we were to have known Lanny for the short period of time we have shared; however, we know his legacy and memory lives on. May the comfort of love, family, friends, and memories bring you peace on the road ahead.
