“ My memories of Larry are from Valley High School , a long time ago. Even so, he will be remembered as one of the most generous , kind boys. We liked him because he had a car. We adored him because he was Larry. I'm certain his friends and Scooter will miss him.

“ Rest In Peace Larry! I could not have had a better friend,advisor and workmate these last 33 years. I will have to figure out the Taiwan blueprints by myself, without your input. Thanks again! Harlan Custard

“ So very sorry to hear about Larry's passing. I realize he had been suffering from severe health issues and will now be able to be spared these maladies but he will be forever missed by many. Lots of good memories are shared by all who knew Larry.
