“ *Uncle Cork, (Your Niece Ardy) I'm sorry I'm just now saying goodbye but I wasn't contacted. God bless for being a good guy. I'm sure you and my dad are together talking about many stories of the past. I only wish I would of had the opportunity of being at your bed side when you passed, just like Anna and Aunt Vera and Aunt Joe enjoyed being at by dads death bed and saying goodbye.*

My dad always liked you. Have a good journey and tell my dad hello when you see him.

“ *Lauren was a friend to everyone and my husband Dan always liked him, and would come home and say he talked to the "Kuhr boys", Lyle and Lauren, it was cattle, corn, beans and machinery, farmers always have something in common to talk about. Dan and Lauren both suffered from COPD. I remember him as a quiet man and would always speak and smile.*
