“ *These are two pictures of my Great Grandpa Fast with my mother and my cousin in the middle picture, and my mom sitting on my Papa Fast's lap when she was a baby/toddler. The black and white picture is a picture of the tattoo I got for my Papa Fast. It says:

“ My heart is truley heavy with the passing of my "other dad". He was the best. He was a great friend, husband, father, grandfather, and great grandfather. I know his journey home was a paeceful one. I know he sits with his family and friends with Jesus. I know we will see him again and hear his jokes and feel his hugs. He is watching over us as our guardian angel to help guide each one of us. I know Jesus is in our hearts to help ease our pain and sadness. Our memories will sustain us until we are together again at the East Gate. Peace be with you.

“ Deloris and family, You have always been our Ne. cousin's that gave a touch of SD!! Getting to know you through the years of hunting and family time with Larry, Deb and Tammy. LaVern was always full of life and the warmest smile to greet us with! Praying for God's strength through the days and weeks ahead.
