

Lawrence Dean Fisher

April 17, 1946 - June 24, 2024

Larry was born on April 17, 1946, in Des Moines, Iowa to Don and Lucille Fisher. He graduated from Van Meter High School and continued his education at the University of Iowa. He graduated from the University of Iowa with a Master's in Actuarial Science. Larry worked many years at Central States as head actuary.

Larry was a strong Hawkeye fan and enjoyed watching sports with friends and family. He felt it was very difficult to be a Hawkeye fan in Nebraska. He enjoyed golfing with friends, fishing and the casinos. He also enjoyed spending time with friends on vacations, out to dinner, and playing cards. Larry enjoyed his yearly trip to Florida to spend time with his sister, Donna. He was very involved with his granddaughters and attended their school events and softball games.

Larry passed away unexpectedly on Monday, June 24, 2024. He is preceded in death by his son, Brian. He is survived by his wife, Sally, daughter Staci (Mike) Haskett, grandchildren Abby and Kayla, and many friends.

“ I remember Larry from working with him at Central States. He was always so patient and kind in explaining the numbers that we needed to know in setting rates and relaying this information to our clients. After I left Central States, whenever I saw Larry out and about town, he always remembered who I was and made sure to say hello. I know he will truly be missed by his friends and family.
