“ I just came across Leona's passing. Leona greatly impacted me as a new Cru (Campus Crusade for Christ) staff member in 1976. I appreciated her compassionate but exhortative leadership. Looking forward to seeing her when I meet Jesus.

I was new staff with Campus Crusade for Christ in 1971. Leona was a great encouragement to me in what was otherwise a very difficult year. God bless you, Leona. We'll meet again in Heaven.

“ *To the Anderson Family,*  
*We are saddened to learn of Leona's passing. We know, however, she is walking the streets of gold. What a delightful woman she was - and we know without a doubt she is face-to-face with Jesus. Leona was one of my group members in my first year as a BSF leader...she never entered our room without that amazing smile and a word of encouragement!! She will be missed greatly by those of us who knew her in BSF. We pray you all will be comforted by these words of condolence.*

*Sincerely,*

“ So sorry to hear that Leona passed away. We were customers for years and she always made us feel like we were family. Always a warm and friendly welcome that made us linger for some over the counter chats. She gave us some very nice memories.
