“ *I recently learned of Leroy's death from the Alumni Review's In Memoriam section published by the University of North Dakota and offer my belated condolences.*

I enjoyed viewing the photos of Leroy and his family, all of which show him with his infectious smile, which was a constant when he and I were roommates at UND. He was a good man, whom I'm sure is sorely missed.

“ *I'm so sad that Lee is gone too soon. I have so many great memories of Lee from when I was a kid. My heart is breaking for Chell and Robyn and the whole Kuhn family who always treated me like I was part of their family. I loved the big Sunday morning breakfasts Lee used to cook up on the griddle, bantering with us kids the whole time he was holding court in that kitchen. I remember how Chell & I loved to play with toy horses so Lee built a whole miniature horse farm out of an old door for our horses. I loved riding in the back of his giant convertible Cadillac to softball games and Dairy Queen runs. He would play cards with us and show no mercy. He was so full of life and always knew how to get the party going. Thanks for being you Lee. You will be missed.*
