“ *My grandma was so amazing. She was happy and kind. She loved her family and her little bird. Her laugh was so contagious. I loved watching her work in the garden. Until we meet again grandma, I love you!!*

“ *My mother was amazing. She loved nature and all things beautiful. Collected awesome dolls. Grew the most beautiful roses and other plants. I will miss her. My heart is a little bit incomplete. Her 93 years were filled with joy and she passed it onto to everyone she knew. 🌹*
