

Linda Marie George

January 13, 1949 - January 2, 2019

Memorials to St. Mark's Lutheran Church in Valley

Linda Marie Sake George was born on January 13, 1949 in Omaha, Nebraska to Kenneth and Loretta “Tootsie” (Krutilek) Sake. She grew up in Valley where she attended grade school and graduated from Valley High School in 1967. As a young girl, Linda was very active in school life including playing the clarinet in band and cheerleading. After high school, Linda attended Beauty School in Fremont.

Linda married Gerald George on July 29, 1967 at St. Mark’s Lutheran Church in Valley, Nebraska and they were blessed with two children: JoAnn and Timothy. After a few months living in Fremont, Linda and Jerry returned to Valley for good.

Linda worked as a beautician part time so she could concentrate on being a full time mom. After the children were both in school, Linda went to work as the Elementary Library Aide and then she became the high school secretary, working for the school district for 35 years. She became the videographer for all the school sporting events. Linda loved fishing, coaching softball and being a Girl Scout and Boy Scout leader. She seldom missed her children’s or grandchildren’s activities. Linda was active in the Valley Historical Society, Library Board, Cemetery Board, Valley Alumni Association, St.Marks Church and Eastern Star. She was a loving, creative woman who always looked for the best in people. Linda was an avid Husker and Terrier fan but her favorite team was whichever her grandkids were on for soccer, football, baseball, swimming or cross country. She loved chocolate covered cherries and dinner out with the family. She didn’t like things in disarray and could often be heard saying “We come from good stock”.

Linda passed away on Wednesday, January 2, 2019 at the Methodist Hospital in Omaha at the age of 69 years, 11 months and 20 days. She was preceded in death by her parents Ken and Loretta, step-father Charlie Schulz, husband Gerald and brother Rick. Linda is survived by son Tim (Carrie) of Papillion, NE; daughter JoAnn (Troy) Hardman of Valley,

NE; grandchildren Tyler (Chasity Zomers) and Ryan Hardman and Daniel, Zachary, and Emilie George; mother-in-law Maxine George of Yutan; Sisters-in-law Laura (Paul) Peitzmeier of Yutan and Ruth Sake of Valley, NE;

“ *Linda was my salvation many times when I taught at Valley. She knew the school inside and out. If it was important to kids, she found a way to get it for you. She made us all, students and staff, feel valued and loved.. I treasure my time at Valley High School and Linda was one of my shining stars. She was my Red Hat sister! I loved talking to Linda and Candy about Eastern Star. She will be missed. Beyond measure. Heaven has gained a wonderful lady. Her endearing smile will never fade in many hearts.*

“ Linda Sake George will always hold a special place in my heart. I'll always remember living across the street from her and walking to school every morning...after we watched Rocky & Bullwinkle! I always considered Linda as my best friend in Valley and one of those people that I continued to stay in touch with after I left. What a wonderful soul! She will be missed every day!!

“ My husband, Kenny, was in the same Grand Family in Eastern Star as Linda. They just hit it off, and we both enjoyed her so much. Candy was her traveling companion, and then she was Candy's. We had a lot of fun with both of them. We are in Texas for a few winter months and will be unable to attend the services. We really are sad we won't be able to. She was one of our favorites. We extend our sympathy to you. We know that you will have many wonderful memories to comfort you now and in the days ahead. God bless you.

“ Condolences to the George family. Your mother touched the hearts of many students. Her smile, laugh, thoughtfulness and kind words will never be forgotten. I believe it wasn't so bad having to go to her office at school.

“ While I will always have c mixed emotions about my time in highschool, the one thing I do I remember fondly was the smile and genuine care that Linda had for every student that v walked through the doors at Valley. The encouragement she gave me through my daily trials of bullying from some students was uplifting and in many ways essential to my maitaining of balance.

I'm ever so glad that I was able to catch up with her recently and introduce her to my boys. It was nice how she told them off my trials and eventually triumphs. I saw then the real care she had for everyone of us.

I will miss her and her light in this world.

“ *Through the marvelous Valley Retired School Staff communication network, we were notified last evening about the loss of Linda. It seems especially cruel because we had heard she was on the mend. Linda treated people equally, with a smile, and I don't think I had a conversation with her which did not include laughter. She loved Valley High School, and she would say often that she loved all "her kids" there. I am so very sorry for the family and her dear friends for this loss. Kathleen McArdle Knudsen*
