“ *So sorry to read of your mom's passing and will be keeping you all in my prayers as you walk through this sorrowful time. May it comfort you all to know that she has been reunited with her loved ones in heaven and that her suffering is over. Carry on in the way that will make her proud of you all and help keep the memory of your loving mom alive for the grandkids and those to come. Linda you and your brothers and sisters will always have an empty spot in your heart that no one else will ever fill, but the process of time will help to ease the loss. May you find comfort in one another and in knowing she is smiling down on you all. GB*

“ I have so many fond memories of celebrating Christmas Eve in Waterloo with Aunt Loa and her family. Cookies spread everywhere, a visit from Santa, tons of packages, and Aunt Loa sipping a cup of coffee at the kitchen table. I will miss the great stories she would tell about growing up in Waterloo. I also remember going with Aunt Loa and my mom to visit my grandma every week at the nursing home. Aunt Loa took such good care of my grandma. She will be missed. Linda, Debbie, Susie, Penny, John & Jim, my thoughts and prayers go out to you and your families.
