“ *So sad to hear of Renee's passing. She was so amazing with my sons and the other kids she watched. I will never forget the Christmas 'program' she taught the kids and all the special things she did with them. My deepest condolences for a life lost too young.*

“ *It has been our pleasure to know Renee as a great neighbor and friend for the past 20 years. We so regret not being able to be there with you boys & her family to celebrate the short life she blessed us with. When we get back, it will be like a very big part of the neighborhood is missing. Always caring! Always sharing; and she blessed so many children's lives. May her "First Christmas in Heaven" be joyous and surrounded by a choir of angels. May God bless her. Bruce & Darlen Bossen*

“ Our thoughts and prayers are with Renee's family. She was such a wonderful lady and so caring to both our children and to Andy and I. She will forever hold a special place in our hearts for her kindness and care. What an amazing and giving person. I'm sure she was welcomed home by the message of "Well done, good and faithful servant". May God be with your family and comfort you during this time. The Smith family

“ Our thoughts and prayers continue for your family. I only got the pleasure of knowing Renee for just a little over 6 months but she welcomed my boys into her home and treated them as one of her own. She had a kind heart and I saw this daily in the way my boys enjoyed being with her. She will always hold a very special place in our hearts and will be greatly missed.

“ Our sympathies to both Renee's family and her 'kids' and families. Renee took great care of our grandsons and we always heard such happy stories of their times at Renee's house. We can only begin to imagine the loss this brings - please know that others are thinking of you all.
