“ *To the Nelson Family- I will miss Lori- working with her for several years was a pleasure. We tried to stay in touch and I last spoke with her around Thanksgiving time. She had a heart of gold and was a good friend. It was a shock hearing of her passing- my thoughts and prayers are with you all. Nancy*

“ We will very much miss Lori's warm, friendly, and fun loving attitude toward life. Every time we would meet she had a smile and welcomed us with a hug or even just a warm "hi, good to see you". She often invited us to join her with other friends at local social events to enjoy as a group. Dean and Debbie Slechta
