“ *There are not enough words to fully express the amazing gratitude and love that I have for this man, and the entire Bruno family. From my early years as a young man in Omaha, Louis was a mentor to me, and not just me! Everyone lucky enough to have known Louis, was changed just from being around him. His work ethic and dedication to perfection, doing things the right way! It all made a huge difference in my life! Installing chain link fence, working on cars ( mechanical, body & paint) , snow removal. So much knowledge he shared, contributed to the work ethic that I have developed over the years. We rode motorcycles together for years, enjoying so many warm summer evening rides! Not only did Louis share his knowledge, he also shared his family! As I was growing up, Louis, Judi, Joe, Kathy and Lori, were all family to me! Even though our paths have gone in different directions over the years, the closeness, and love I have for this family will never fade! I'm going to miss Louis! Rest in peace! Until we meet again!*
