“ *All those years I worked with Dr. Dave Spann at Brown County Hospital. I didn't realize we both knew Louie. He lived a block away on M St. as I was was growing up and we went to the same grade and high schools. He will be remembered as a guy who showed kindness to this younger kid as we were growing up. May he Rest In Peace.*

“ *Learned today of Louie's passing and am saddened to think he is gone. We played in a polka band together all throughout high school and college and he will always be an important part of my memories of that time. Talented drummer and a good friend.*

“ Rest in Peace Lou. So many wonderful things to say about this man not sure there is enough characters in the post! Whenever he called me he would say "hey, it's your crazy Uncle Louie here!" Always made me smile. He truly made me feel like a part of the family, interested in my life, tax accountant extraordinaire, proud husband, dad and grandpa, teacher/mentor of finances and encouragement to do well in life. He has always helped me financially and personally and I will miss him dearly! Prayers to the family now and always.

“ Fond memories of Louie from our days in Theta Chi Fraternity at OU/UNO. Party guy and financial acumen even then. Have not seen him since leaving Omaha in 1971 for grad school in Chicago. Sorry for his death but happy to read that his life worked out so well as CPA, Marine, family man. -- Tom Wintle

“ So sorry to hear of Lou's passing. He was one of my "Omaha" cousins and will be truly missed by many. I remember when we were all "younger" and would be at Aunt Mickeys house with all the dads having a good old time. He truly was one of the great guys. RIP dear cousin.

“ Lou was my accountant for 32 years. Besides being my accountant he was also a great friend. First thing he would say to me was " did you make coffee? We would always drink a pot of coffee during every visit. Quarterlies will never be the same.

“ I first met Lou over 40yrs ago when he played in a band at mutual friend's wedding. Our first professional meeting came shortly thereafter at the urging of our mutual friend. He examined my self-filed tax return. He found some errors that resulted in me getting money back. He has been my accountant and friend since. I always enjoyed the office conversations we would have about subject above and beyond taxes. I will miss Lou and those conversations. Rest in peace.

“ I've known Lou since I was 12 years old. Every time I see him, he says, "You were supposed to marry one of my boys!!" You'll be missed Lou...Ginger Cove (and board meetings) won't be the same without you.
