“ *Dear Amy, I never knew your mother, but I heard you speak of her with such devotion and love. How precious the memory must be when your mother welcomed Shelby to the family. Personally speaking, I know you, Amy, and you are the most kind heartiest person. Your mother raised you well. It is difficult for sure to lose a mother. I am hoping that the cherished memories will give you comfort. God Bless you, Terry, Emerson and Shelby and your bothers and their families.*
