“ *I would like to express my sympathy to the family of Luree. Renze Boersma was my uncle. I got to know Luree as an aunt. She and Renze visited with my parents often, celebrating birthdays, etc. She was very friendly and hospitable. My mom stayed at their house when Dad was hospitalized in Yankton. My thoughts and prayers are with Bernie and family, especially, but also to her whole family. May your fond memories of Luree bring comfort and peace. God bless you all.*
