“ *I can't believe it is coming upon a year since Lynne passed away. I think of her often. This Christmas I had the poinsettia night light she gave me plugged in the bathroom. Every time I went in there, I thought of her. The memories are very happy ones, as I'm sure they are for you.*

Chris, Brian and family, Aaron and family..... it will be a difficult day for you, and I'm sure you've had many others. Keep the faith and blessings to all of you.....Jack and Jan

“ Chris and family,
Our deepest sympathy to each of you as you grieve Lynne's passing. Lynne was Evan's caregiver during the most important year of his development. We were so fortunate to have been able to benefit from her love. She gave Evan a great start in life. We will celebrate his 15th birthday in 2 weeks...it's been a while. May your memories provide comfort and healing in the days, weeks, and years to come.

“ *Chris, Brian & family, Aaron & family,
We are so saddened by the death of Lynne. I had some especially good times with her when we bowled for those many years. As your neighbors, the visiting, your caring for the dog, and finding out about the parties when we were gone.....all very appreciated!!! It was fun to watch the kids grow up.*

We had no idea that Lynne was so sick. Chris, I will try to get in touch with you in a few days. I have a phone number, but do not know if it is still in service. We send our prayers.*
