“ *I just read about Mrs. Herrington's passing, and I am sorry. In this past year, I took a new position--HS assistant librarian. I have thought of Mrs. Herrington often and remember as being a kind, thoughtful, and caring woman who helped me and gave a smile every time I entered the library at BHS. I am sorry for your loss and will keep your family in prayer as you go through this very difficult time, happily remembering a lovely lady and mourning the loss.*

“ *Dear Jim and family,
So sorry to read of Marietta's death. She was always one I looked forward to seeing when we visited the folks in Beatrice. Another family friend is gone. The bridge club in heaven is growing.*

“ *My deepest sympathy over the loss of your Mother and Grandmother. Marietta was always so sweet whenever I met her. It was always so nice to have her and Jim come to our Appleby reunions. I really enjoyed my visit last Sunday with Jim and Scott and Leta...I'm sorry about the timing with your Mom's passing. May fond memories of her bring you peace.*

“ I knew Marietta when I worked as a para. and later as a BHS teacher. I loved being greeted with that Marietta smile. She was so helpful to me and to my students. She was also a very positive person. I would see her around Beatrice in later years and always enjoyed visiting with her. She talked about all of you and her eyes lit up as she did so. She spoke with devotion, love and pride. Marietta was a lovely lady who I appreciated and enjoyed knowing. You have my sincerest sympathy.

“ I remember Mrs. Herrington from when I attended Senior High School in Beatrice from 1987 to 1990. She would conduct study hall sometimes as a fill-in and policed us rowdy students in the library. My condolences to the family. I just wanted to let you know that I remember her and never forgot who she was.
